

Group 3&4

GROUP	WHAT WORKS WELL	A FEW POINTS TO THINK ABOUT <i>In italics my corrections/suggestions</i>	PRONUNCIATION <i>Italics = to correct</i>	GENERAL OBSERVATION
Maud & Alexandre	Very dynamic ! Nice intro I like that you used results from an actual study and the format of interviewer-interviewee	<ul style="list-style-type: none"> • <i>People</i> (it's never plural) • Be careful with using "the" in front of words like in French: It's not the same in English Ex: The Neurodegenerative diseases • Touched → concerned • Way of life → Lifestyle • Avoid to develop → <i>Avoid developing</i> 	The H in front of words is not silent in English, make sure to pronounce it ex: Here Higher	Nice effort of using hedging vocabulary (might, could)
Abygaëlle & Chloé	Nice introduction of the question: clear Nice intonation to dynamize your speech and good share between speakers	<ul style="list-style-type: none"> • A guest has > Guests have • Joy is different from happiness? • Do they can? > <i>Can they?</i> • <i>Humans</i> 	Species	It depends/could: Nice use of hedging
Manon & Emma	Dynamic speech "the main problem" nice way to situate the problem	<ul style="list-style-type: none"> • The mice -> <i>the mouse</i> (singular; plural: "mice") • Phenomenon (singular) → Phenomena (plural) • Exactly same → The <i>exact same/exactly THE same</i> 	<i>Study societal</i> Try to avoid the "ze" sound when pronouncing "the"	Very nice and clear speech, the tone is dynamic and made sure to use hedging

		<ul style="list-style-type: none"> • <i>The Addiction</i> • <i>Included</i> • Make experiment → <i>Conduct experiment</i> 		
Julien & Imad	Rich content ! I like that you included many neuroscience facts	<ul style="list-style-type: none"> • <i>Neuroscience</i> (no s in English) • “Somebody saying...” is a little vague • <i>Thank you for listening</i> <p>Try to slow delivery speed at times for clearer speech</p>	<i>astrocytes</i>	Good effort for hedging !
Maëlle & Mathilda	I love the intro! Nice effort Very clear sound: sounds like a professional podcast Very nicely constructed & rich content ! Good tempo	Discuss about	<i>Heart</i> <u><i>High</i></u> <i>Decline</i> <u><i>Help</i></u> <i>Bilingual</i> <i>Adequat</i>	Nice hedging
Julie & Alicia	Clear & interesting; Nice examples and content	<ul style="list-style-type: none"> • Mouse (sg) → Mice (pl.) • They can reproduce themselves • Revolutionary discovery • See you the next time 	<i>Liver</i> <i>Stem cells</i> <i>Physiological</i>	Good hedging

Léo & Maeva	Nice clear content, I like the discussion/debate aspect	<ul style="list-style-type: none"> Him → It I am not agree with you → I do not agree with you In the future, try to detach yourself from your notes to improve your flow 	Conscious	Good hedging and discussing
-------------	---	---	-----------	-----------------------------

GROUP 1 & 2	WHAT WORKS WELL	A FEW POINTS TO THINK ABOUT <i>In italics my corrections/suggestions</i>	PRONUNCIATION <i>Italics = to correct</i>	GENERAL OBSERVATION
Morgane & Chiara	Nice format question and answers Mention of gut health: interesting and original in this context!	<ul style="list-style-type: none"> Today's → You can say "nowadays" Eating good → eating <i>well</i> Fishes → <i>Fish</i> Try to make some pauses in your speech Try to make your intonation more varied Home meal → <i>Home-made meal</i> 	Try to avoid the "ze" sound when pronouncing "the"	Attention to Intonation and modulation with a slightly slower delivery speed would have a positive impact on the listener
Claire & Théo	I like that you defined emotions from the beginning, very clear and crisp!	<ul style="list-style-type: none"> <i>Neuroscience</i> does not have an S at the end in English A base > <i>a basis</i> 	Be mindful of pronouncing H in front of words: ex: Hunger	Good use of hedging in your delivery! Nice intonation

	Nice citation of studies and examples Nice opening at the end !			
Astrid & Mailys	Nice clear speech Excellent content	Be mindful of avoiding raising intonation at the end of sentences		Nice effort for hedging
Tarah, Elina & Apolline	Nice situation of the topic I like the debate aspect : Makes it dynamic and interesting	<ul style="list-style-type: none"> • Stimulus (sg.) > Stimuli (pl.) • “Deployment” ? Did you mean development? • Be mindful of avoiding saying “euhh...” in between sentences 	Hello <i>Compassionate</i> A.I	Nice hedging
Olivia & Maddi	I like the conversational style AI cannot replicate human behaviour: good points !	<ul style="list-style-type: none"> • The AI • Different ways • HumanS 	Conscience	Very bold hedging: good job!
Lison & Oumnia	Nice clear question And answer supported with example You really adhered to the podcast style	<ul style="list-style-type: none"> • Physiologically 		Good hedging
Silvia & Giulia?	No recording
